(1) It appears from Cl. 35 that only one statt will do the annual statt taking "the pl of the fourth quarterly return"! But the expression "the Durbar will be so good as to incorporate the additional information required as per columns 5, 12, 12 and 13, in the statt of newspapers for the 4th quarter of 1911", which occurs in the earlier portion of the letter does not quite support this ~~view~~ view

2) A statt (annual) is however being prepared. May a reference be made in the meanwhile to the Residency to clear the above point?

(3) Reading the letter (Cl 35) carefully it does not appear that the Quarterly Return is dispensed with. In the meanwhile please proceed with the preparation of the Statts according to instructions now received, and submit as soon as ready.

If necessary, however, of the matter may be made clear by a formal enquiry from the Residency
